

Give It a Try

“ I can't say enough of how much it's changed my practice and changed the kids in my practice. ”

- Dr. Arthur Moebius
PHYSICIAN

“ The feedback that we have received from parents is that they love it because they can better communicate with us. ”

- Dr. Camille Graham
PHYSICIAN

“ It's essential. It's more than helpful. It's time saving. It's efficient to my staff. It's pleasing to parents. ”

- Dr. Keith Stowers
PHYSICIAN

Functions of myADHDportal.com

myADHDportal.com is an evidence-based,¹ comprehensive, and easy-to-use tool developed by Cincinnati Children's Hospital Medical Center for improving the quality of ADHD care.

- Online collection of parent and teacher rating scales during assessment
- Online access to assessment reports
- Online collection of parent and teacher rating scales at physician-designated intervals to monitor response to treatment
- Treatment graphs displaying changes in ADHD symptoms with annotations indicating treatment changes
- Email notifications of changes in online assessments indicating potential behavioral deterioration or problematic side effects
- Facilitated email communication with parents and teachers

Epstein, J.N., Langberg, J.M., Lichtenstein, P.K., Kolb, R., Altaye, M. & Simon, J.O. (2011). Use of a web portal to improve community-based pediatric ADHD care: A cluster randomized trial. *Pediatrics*, 128, e1201-e1208.

HOW IT WORKS

1 Enroll

Once you sign up, you complete a simple training program that teaches you how to use **myADHDportal.com**. You do the training on your time and it's all virtual, so all you need is a computer.

2 Engage

You invite families to use **myADHDportal.com** as part of the diagnostic or treatment process. Parents log on and complete validated online ratings about their child's history and behavior. Parents also invite teachers to complete online ratings about their child, and you receive scored rating scales as well as interpretive summary reports. All it takes are a few clicks.

3 Enjoy

The goal of **myADHDportal.com** is to help make your work a little easier while knowing that you are doing all you can to help your patients with ADHD. Here are just a few of the benefits you can expect to experience.

BENEFITS

- + **Faster assessments and turnaround times**
- + **Closer monitoring of patient outcomes during treatment**
- + **Improved communication with parents and teachers**
- + **Potential for increased reimbursement for ADHD management services**
- + **ABP Maintenance of Certification Part 4 credits**
- + **20 Performance Improvement CME credits**

Hundreds of physicians just like you are now experiencing the benefits of membership to **myADHDportal.com**.
